Notice of said meeting was sent to the Mercury Gazette on April 13, 2016, with same notice being posted on the same date at the Town Hall and on the Town website.

Supervisor Evans called the Public Hearing to order at 7:35 pm.

Supervisor Evans stated we are here to have a public hearing on Local Law 3-2016 titled "A Local Law for Highway Bonding/Financial Securities." The legislative purpose is because the Town Board has limited funds to pay for repair of town roads, and being advised by the Town Highway Superintendent that it is a necessity to require a bond or other financial security in order to hold responsible individuals or corporation's whose vehicular traffic causes a disproportional amount of wear and tear on the Town roads.

Public Comment-
Resident Robin Schneegold who owns Camp Emerald Acres was concerned about how it will affect campers bringing in trailers and the camp garbage pick up. Highway Superintendent Schneider stated that the trailers would not be affected because they are much lighter then the weight limits. The garbage pick up would be considered a local delivery and would be exempt. A detailed discussion took place by the board and in section 9 under exemptions the words garbage pickup would be added.

Being no more public comment Councilman Gietl made a motion to adjourn the public hearing. Councilman Evans seconded the motion. All Ayes the public hearing was adjourned at 7:53 pm.

Respectfully Submitted,

_____

Frank Puglisi
Lyndon Town Clerk
